

## *Find Legal Answers* Tool Kit November 2009 update

LIAC supplies every library service in NSW with two copies of all Tool Kit titles – a reference copy for display in the Tool Kit stand in your central library and a lending copy. Each library service is responsible for purchasing copies to update their branch library collections.

## ② Items to withdraw

Please **withdraw** and **discard** the following items from your Tool Kit. All of these excellent books are now out of date, as there have been substantial changes to the law in these areas.

- *Debtors' guide to local courts in NSW*. 3<sup>rd</sup> ed.
- *Rest assured: a legal guide to wills, estates and funerals*. 4<sup>th</sup> ed.

A new print edition of this important title will be available next year. The authors have updated the first two chapters (Wills and Estates). You can find these chapters in full text on the *Find Legal Answers* website under *Legal Books Online*.

- *Rough deal: a plain English guide to drug laws in NSW*. 2<sup>nd</sup> ed.

## ③ Note: format change

The booklet *Your day in court: a guide for victims of crime who are witnesses in court* comes with a 30 minute video which can be included in your loan collection. This video is now available in DVD format. If you have a video and you would like to update it to DVD, please contact me at [cbryant@sl.nsw.gov.au](mailto:cbryant@sl.nsw.gov.au). Please note that LIAC has only a limited number to distribute.
